COUNTY SCHOOLS OPEN WITH NEW LAW BEING ENFORCED

Mason County For the First Time Has a Truant Officer to Enforce the New State Law on Regular School Attendance.

Mason county schools opened this week and although up to the present reports received at the Superintendent's office in this city are not anything like complete, from what reports that have been received, it can be plainly seen that the attendance this year is going to be very satisfactory.

Practically every school in the county is now at work having opened on Monday of this week. The Minerva High School is one week late in getting started because of the shortage of one high school teachers but other schools are now well under way.

The program of teaching this year is somewhat revised and Agriculture which was a new study with last year will be stressed throughout the season and the advantage of the County Agents' work in the schools will be taken more this year than ever before. The work of the County Health Department will also be stressed throughout the entire year by visits of the County Health Officer and the County Health Nurse.

For the first time in the history of Mason county schools, they now have an Attendance Officer who will give him time to seeing that the children of school age in the county attend their district schools or High School. Prof. R. Y. Maxey, who for several years has been superintendent of schools at Brooksville, Ky., has been elected to this position and will see that there is a strict enforcement of the new state attendance law in Mason county. It is not expected that there will be much trouble in the enforcement of this law as Mason county, in the past, has had little trouble along this line.

Charles Fennell, Assistant District Attorney, is the counsellor for the jury. The books and records also will be examined by Thomas D. FT. THOMAS TEAM PLAYS BALL HERE ON NEXT SUNDAY

American Legion Disappointed in Not Being Able to Play First Division But Fort Thomas Soldiers Will Be Here.

Officers of the Leslie H. Arthur Post American Legion who had planned for a game of baseball on next Sunday afternoon at League Park between a team picked from the various local clubs and a team representing the First Division were greatly disappointed when they were advised Tuesday evening that it would be impossible for the Louisville soldiers to play here Sunday because of their being moved from Camp Taylor to Camp Dix.

In order that they might not disappoint those who were planning to see next Sunday's game, the officers of the local Legion Post immediately got into communication with the officials at Fort Thomas and they were able to make an agreement with the Fort Thomas men for a game. The Fort Thomas team will arrive here Sunday morning. The game will be called promptly at 1:30 o'clock Sunday afternoon so that it can be over and the members of the team catch the Sunday afternoon accommodation for their home town.

The Fort Thomas team is said to be one of the best soldier teams in the state of Kentucky and much interest will be taken in their coming here Sunday. It is expected that there will be a very large crowd in attendance. All of the money made at the game will be given the local Post American Legion to help them fit out their headquarters in Sutton street.

The American Legion announces their line-up for Sunday's game as follows:

Bierley, E. right field; Duley, G. shortstop; Quigley, first base; Huffman, J., third base; Kirk, G. left field; Peterson, G., center field; Williams, second base; Wingo, catcher; Fox, pitcher; Means, L. Cooper, R. L. Telle, Rucker, Smith, substitutes. The Williams on second is "German", of Bluegrass League fame, who is coming up from Cincinnati for the game and Fox, the pitcher, is also big league timber furnished by "German".

The West Union Defender says: The state board of health department at Columbus reports that the brain of the late Robert Windle, sent there for examination, furnished unmistakable evidence that the man was afflicted with the rabies.

Windle died at the county jail here August 25, and as his condition developed symptoms of hydrophobia, his brain was removed by Dr. J. S. Ellison and forwarded to Columbus. The patient had been brought to West Union on the preceding Monday from his home near Seaman, and at a hearing in an inquest, was adjudged to be insane. Early Tuesday morning Windle went into convulsions, and his condition grew gradually worse until the end came about eight o'clock Wednesday night. Reed, chairman of the Committee on Proposition and Grievances of City Council, has arranged for a meeting of the members of his committee with officials of the Maysville Telephone Company on next Wednesday afternoon when the telephone company's request to increase telephone rentals 25 cents per subscriber each month will be gone into very thoroughly.

The committee expects to go into the matter so thoroughly at the meeting next Wednesday and at later meetings that they will be enabled to make a full and complete report and recommendations at the next regular monthly meeting of Council on the first Monday in October.

Billy Watson's musical comedy production "Krausmeyer's Alley" which comes to the Washington Theater on Monday, September 13th, is said to be a most pretentious one and is described as the "musical hit" of the year. It is considered one of the best singing organizations on the road.

The company is large and consists of such artists as Jules Jacobs, Joe Brennan, Richey Craig, Sweeney & Rooney, Russell Sisters, and that charming soubrette Doris Clare, all strong musical comedy favorites, and a chorus that is noted as being pretty, sprightly and most graceful singing and dancing combination on the road. "Krausmeyer's Alley" is a wholesome entertainment consisting of all that is good, new and refreshing in musical comedy. The dialogue is bright and crisp and the situations are legitimately funny without being risqué or suggestive. The music is tuneful and the costumes handsome and attractive. Seats now on sale.

HOT, DIZZY FEELING

Atlanta Lady's Uncomfortable and
Annoying Condition Relieved,
She Says, by Cardui.

Atlanta, Ga.—Miss Alice Frances
Young, of 28 East Alexander Street,
this city, says: "After entering wo-
manhood, I suffered so much with
womanly weakness. My back ached.
I would have, at certain times, a hot
feeling that seemed to go to my head.
Even my shoulders would hurt, and it
made me very dizzy and uncomfort-
able. When the blood would flow to
my head—I suppose that was what it
was—I would faint and feel so weak.
"I couldn't do my work. I had a
good position, and this was surely
annoying as well as embarrassing. I
would usually have to go home and
go to bed. I certainly suffered greatly.
"I heard of Cardui, and my mother
bought it for me. It was the first and
only medicine that ever did me any
good for this trouble."

Dizziness, headache, dizziness, back-
ache, tired-out feeling and other dis-
agreeable symptoms are often signs of
womanly troubles. Thousands of wo-
men who formerly suffered from these
and similar ailments have found Car-

The "High Cost of Breakage"

The telephone is a sturdy little instrument, but do not allow it to be handled carelessly. Mr. and Mrs. Subscriber—like any other machinery, it will break or get out of order when abused or improperly used.

A desk telephone knocked over; a vase upset on desk or table; a wall telephone collided with—the result may easily be a broken mouthpiece, a broken receiver shell, a wet receiver cord or desk stand cord or other damage—then your service is interfered with until replacements can be made.

The replacement of damaged instrument parts is expensive in these days of high prices—and adds to the cost of telephone service. For our mutual benefit, Mr. and Mrs. Subscriber, please help us to keep such damage and breakage down to the minimum.

MUCH INTEREST SHOWN IN NEW CHAUTAUQUA PLANS

Representative of Co-Operative Chautauquas Presents Their Plan to Local Committee.

Miss Laughlin, representing the Co-Operative Chautauquas, of Bloomington, Ind., addressed quite a number of local chautauqua leaders on Saturday evening at a meeting held at the Chamber of Commerce presenting the plan of her company to furnish talent for a chautauqua and equipment for next season.

The Co-Operative Chautauquas have an entirely new system in that they do not exact a guarantee from the local committee and offer the committee a long list of talent from which to select their program, not requiring the local chautauqua to take talent which they select and send without questioning the local committee.

Those who heard Miss Laughlin were very much pleased with the system of her company and asked her to give them more information. She will furnish a sample contract within the next few days and another meeting of the committee will be held as soon as all of the facts are ready to be presented to them.

CROP IN CENTRAL

KENTUCKY RUINED.
Lexington, Ky. — Excessive rains have helped "wild fire" and "rust" damage the tobacco crop in the burley district, and in some sections the weed will not be cut.

In the Keen section of Jessamine county and Troy section of Woodford county burley crops are so badly damaged the farmers are plowing it under, preparatory to sowing the fields in wheat or oats.

3 KILLED, 3 HURT AS SLATE BURIES MINERS

Men Leaving Providence Pit After Day's Work Crushed By Tons Of Debris.

Dixon, Ky., Sept. 8. — Three men were killed and three injured, two probably fatally, when they were buried beneath falling slate as they were quitting work at mine No. 2 of the Providence Mining Company at Providence yesterday afternoon. The dead are:

William Bentley, Dillinger and James Jones, negro.

Claude Price is not expected to live and will be taken to an Evansville hospital tomorrow. Green Levell, negro, was probably fatally hurt. Forrest Ashby, negro, will recover.

The accident occurred at 4:15 o'clock as the men were riding on two coal cars on their way to the shaft to quit for the day, when with a terrific crash, they were crushed as tons of slate buried them.

Bentley, 60 years old, who lived near Dixon, is a brother of Mrs. W. E. Bourland, wife of a Dixon attorney. His body will be brought here for burial.

OHIO BOY ENDS LIFE TO ESCAPE GOING BACK TO SCHOOL.

Willoughby, O., Sept. 7. — Harry J. Chambers, sixteen-year-old farmer boy living near here, shot himself through the heart with a rifle some time last night to escape taking up his school studies again.

The boy should have returned to his studies today. His body was found in an abandoned shanty early this morning in the woods near his father's farm, a rifle bullet through the heart.

For weeks he had been begging his parents to permit him to stop school, but his request was refused.

A note from the youth was found in the shanty giving the reason for the act.

GIRLS IN BAD HEALTH.

Hundreds of girls go to work day after day, afflicted with some ailment peculiar to their sex, dragging one foot wearily after the other, working always with one eye on the clock and wishing for closing time to come. For forty years this famous root and herb medicine has been preeminently successful in controlling the diseases of women. Why don't you try it?
